## PRESS RELEASE

### Teen Club Girls Turned Camp into a Spa Day!

**Miami Beach, FL** – On June 23, 2010, the Miami Beach Teen Club hosted a Pink Spa Day for teen girls registered in the City's summer camp program. While the teen boys took a field trip to Rapids Water Park, the teen girls transformed the 21<sup>st</sup> Street Recreation Center into their very own spa. Participants that attended "Pink Spa Day" dressed up "pretty in pink" and enjoyed an array of amenities.

All the girls donated a bottle of nail polish to be shared amongst the 60 other campers. The girls planned a tour around the "pink spa" that provided a pedicure station, followed by a visit to the manicure station for the application of a fresh coat of nail polish. Then teen club counselors had a facial station where they applied facial scrub and cucumbers on the girls, while other participants gave each other hand massages. The girls ordered pizza for lunch, had the opportunity to cool off with a trip to the pool and concluded the day with an afternoon movie.

"Pink Spa Day" is just one of the many fun and exciting activities planned for the 2010 City of Miami Beach summer camp participants.
